WORKSHOP EDITED BY ARIELE PSICOTERAPIA “TAKING CARE OF INSTITUTIONAL RELATIONSHIPS FOR A PARTICIPATED WELFARE: THE EXPERIENCE WITH THE CITY OF BRESCIA”

AURELIA GALETTI, NICOLETTA LIVELLI, RAFFAELLA BONETTI

This workshop aims to present the role of Ariele Psicoterapia in the Brescia Welfare Board in order to promote participation processes and create a group named “Psychologists for Welfare” to analyze emerging issues in the “Polis” and discuss them with citizens. (2016-2017-2019)

In 2020, “Psychologists for Welfare” group, promoted a psychological SOS service for COVID, under the aegis of the Civil Defence, coordinated by the Metropolitan Municipality.

This project could be defined as a successful one because of:
the attention to the internal and external dynamics,
the attention to communication between different stakeholder,

These are good practices that help different actors (citizens Institution,) to participate in the creation of a new idea of Welfare.
